WHY SHOULD MY STUDENT BE COVERED BY THIS INSURANCE?

As a service to its students, your school is offering an opportunity to enroll in a student accident insurance plan administered by Student Assurance Services, Inc. Participation in this plan is voluntary. This brochure describes several coverage and premium options. Please review the entire brochure before making a decision to purchase this insurance or contact us directly with your questions.

WHY IS THE SCHOOL PARTICIPATING IN THIS OFFERING?

Students are particularly susceptible to accidental injury. Your school does not carry medical insurance to pay for x-rays, stitches, ambulances, or other medical expenses.

WHAT KIND OF INSURANCE IS THIS?

This is accidental bodily injury insurance; it covers accidental bodily injury occurring while the coverage is in force. Medical illnesses such as ear infections or sore throats are not covered.

WHO SHOULD CONSIDER BUYING THIS INSURANCE?

1. All families with no other health coverage.
2. Families with other health coverage having deductibles, copays, or coinsurance. Our policy applies benefits toward your other health coverage out-of-pocket expenses. There is no deductible or copay in our policy.

WHEN AND HOW CAN I ENROLL?

You can purchase this insurance anytime between the Master Policy effective and expiration dates during the current school year. It is to your advantage to enroll early. The premium cannot be prorated. Make check payable to: Student Assurance Services or fill out the credit card information, and enclose in the attached envelope. Write the student's name on the check. Save this brochure for your records, you will not receive a Master policy or ID card!

5. The practice or play of interscholastic sports including travel to or from such activity, practice, or play for students in the 7th grade or above, unless such premium is paid.
